

# Walking In the Rain

## The Partridge Family

I want her and I need her  
And someday, some way, I'll need her  
She'll be kind of shy  
And real good lookin' too  
I'll be certain she's my girl  
By the things she'll like to do  
Like walkin' in the rain  
And wishin' on a star up above  
And bein' so in love  
When she's near me I'll kiss her  
And when she leaves me, I'll miss her  
Though sometimes we might fight  
I won't really care  
I know it's gonna be all right  
'Cause we've got so much to share  
Like walkin' in the rain  
And wishin' on a star up above  
And bein' so in love  
No, no, she'll never do  
No, it isn't her too  
They would never  
No, they'll never, never, ever love  
Like walkin' in the rain  
And wishin' on a star up above  
And bein' so in love  
Like walkin' in the rain  
And wishin' on a star up above  
And bein' so in love  
Like walkin' in the rain
