

Son of God

Starfield

son of god shaper of the stars
you alone the dweller of my heart
almighty king
how beautiful you are, how beautiful
son of god fathers gift to us
you alone were broken on the alter of
a precious limb

our freedoms in your blood
its in your blood

jesus o holy one
i sing to you
forgiven
savior im overcome with your great love for me

son of god, the strength beyond compare
you alone the darkness cannot bare
lord of love
your kindness draws me near
it draws me,
son of god prophecy of all
you alone the deeper of my soul

come again and lead your people home
come lead us home

jesus o holy one
i sing to you
forgive us
savior im overcome with your great love for me

you are worthy
you are worthy
you are worthy of all my praise

you are beautiful
you are beautiful

so i will lift up my hands and sing

you are worthy
you are worthy
you are worthy of all my praise

you are beautiful
you are beautiful
so i will lift up my hands and sing

jesus o holy one
i sing to you
forgive us
savior im overcome with your great love for me
with your great love
with your great love
with your great love
