Crazy Blue

Deep Creek Road

CRAZY BLUE

We were fireworks, summer t-shirts, kisses sweet as blackberry wine Yeah we - Had it dialled in, we were best friends, I was glad you were mine
Yeah the waves, and the sky, and your soft southern eyes, they were

Crazy Blue â€“ the kind you wanna melt into
2 diamonds soaking, up the moon - hold my dreams every night, baby thatâ€™s why Iâ€™m, Crazy Blue, Crazy Blue

(I could) Shoot some fireball, rock the last call,
but you would still be hanging around
(I could) Kiss a new face, Crash a new place, but thereâ€™s just too much to drown
Like the waves, and the sky, and your soft southern eyes, they were

Crazy Blue â€“ the kind you wanna melt into
2 diamonds soaking, up the moon - hold my dreams every night, baby thatâ€™s why Iâ€™m, Crazy Blue, Crazy Blue
Ohhh Crazy Blue â€“ the kind you wanna melt into
Two diamonds soaking, up the moon â€“
Yeah the waves, and the sky, and your soft southern eyes, they were
Crazy Blue â€“ the kind you wanna melt into
Two diamonds soaking, up the moon â€“
Yeah the waves, and the sky, and your soft southern eyes, Haunt my dreams every night, baby thatâ€™s why Iâ€™m Crazy Blue, Crazy Blue, I wonder if youâ€™re Crazy Blue, cause baby Iâ€™m Crazy Blue Câ€™mon
