Rolling Stoned

John Garcia

Hereâ€™s an invitation to come with me
The destinationâ€™s gonna set us free
Find the place where we both belong
When the world awakes weâ€™ll be as good as gone

Donâ€™t need a pill I can swallow
Donâ€™t need a road map to follow
When youâ€™re rolling stoned
Burning up the open road
Nothing every night we go
One step over the edge
One step over the edge

In our own oasis in the desert sand
Weâ€™ll celebrate a beautiful romance
When weâ€™re together nothing good goes wrong
We can stay forever
We can just move on

Donâ€™t need a pill I can swallow
Donâ€™t need a road map to follow
When youâ€™re rolling stoned
Burning up the open road
Nothing every night we go
One step over the edge
One step over the edge

Rolling in town
Four wheel barrow
Riding all night
Rolling stoned
A little too high
But never too low
Riding all night
Rolling stoned

The world will never find us
'Cause weâ€™ll cover our tracks
Weâ€™ll just keep on driving

And weâ€™ll never look back

When youâ€™re rolling stoned
Burning up the open road
Nothing every night we go
One step over the edge
One step over the edge

Rolling in town
Four wheel barrow
Riding all night
Rolling stoned
A little too high
But never too low
Riding all night
Rolling stoned
