

Mermaids

Flight of the Conchords

She was a catch, we were a match
I was the match that would fire up her snatch
 There was a catch
 I was no match
I was fired from her crutch
 I sit around and watch
The mermaids sun themselves out on the rocks
 They are beyond our touch
 I watch and watch
 Wave at me
 They wave at me
 They wave and slip
 Back into the sea
All the ones who come
 All the ones who go
 Down to the water
All the ones who come
 All the ones who go
 Down to the sea
 I believe in God
I believe in mermaids too
I believe in 72 virgins on a chain (why not, why not)
 I believe in the rapture

For I've seen your face
On the floor of the ocean
At the bottom of the ray
I do drive a relentless course
I do husband alertness course
I do mermaid alertness course
Watch them out on the rocks
 Wave at me
 Wave at me
 They wave and slip
 Back into the sea
All the ones who come
 All the ones who go
 Down to the water
All the ones who come

And all the ones who go
Down to the sea
For all the ones who come
And all the ones who go
Down to the water
All the ones who come
And all the ones who go
Down to the sea
