

More Rock More Talk

The Butchies

look at you with your straight lace and your straight face and your prada without feeling you have no guts you are empty you can't touch us climb up protest song this is a protest song or it's an attest song to serve as proof of this lie it's a construct of lies brought to you by the year 1999 2999 more rock more talk we've got sly moves baby we are the #'s that knew mark our words we'll see you in the future kiss your fashion good-bye we're for QUEER YOUTH we're GO UNION we are PRO CHOICE we are not scared by you it's a lie it's a concept in lies it's a defense of spies sent by us in the year 1999 we'll be there hope you won't be there too
