

# I Feel Free

## Cream

I feel free, I feel free, I feel free  
I feel free, I feel free, I feel free  
I feel free, I feel free, I feel free  
    Feel when I dance with you  
        We move like the sea  
    You, you're all I want to know  
    I feel free, I feel free, I feel free  
I can walk down the street, there's no one there  
    Though the pavements are one huge crowd  
I can drive down the road, my eyes don't see  
    Though my mind wants to cry out loud

    I feel free, I feel free, I feel free  
I can walk down the street, there's no one there  
    Though the pavements are one huge crowd  
I can drive down the road, my eyes don't see  
    Though my mind wants to cry out loud  
    Though my mind wants to cry out loud  
        Dance floor is like the sea  
        Ceiling is the sky  
    You're the sun and as you shine on me  
    I feel free, I feel free, I feel free
