Broken Crown

Mumford & Sons

Well touch my mouth and hold my tongue
Ill never be your chosen one
Ill be home, safe and tucked away
You cant tempt me if I dont see the day
The pull on my flesh was just too strong
stifled the choice and the air in my lungs
better not to breathe than to breathe a lie
Cos when I open my body I breathe a lieI will not speak of your sin
There was a way out for him

The mirror shows not

Your values are all shotBut oh, my heart was flawed I knew my weakness So hold my hand, consign me not to darkness.So crawl on my belly til the sun goes down Ill never wear your broken crown

I took the road and I fucked it all away.

Now in this twilight how dare you speak of grace. Crawl on my belly until the sun goes down Ill never wear your broken crown

I took the road and I fucked it all away.

Now in this twilight how dare you speak of grace. So, crawl on my belly until the sun goes down

Il never wear your broken crown

I can take the road and I can fuck it all away.

But in this twilight our choices seal our fate.
