

I Love Me

Meghan Trainor

I love me, hey
I love me, hey
I don't know about you, but baby I love me
Now everybody say, hey-hey-hey
Oh, hey-hey-hey, I love me
Hey-hey-hey, I love me They gon' say all kinds of things
They'll make jokes about my name
They gon' try to clip my wings, but I'm gon' fly, I'm gon' fly
They'll try to play me like a game
I'll bet they're too scared of the fame
But I can see clear when looking at the mirror
Saying God made me just right I love me, I love me
I don't know about you, but baby I love me
Now everybody say, hey-hey-hey
Oh, hey-hey-hey, I love me
Hey-hey-hey, I love me Because I'm sexy and it ain't my fault
I ain't waiting on nobody's call
You don't want me baby, that's your lost (your lost)
I'll be fine, I'll be fine
And you can tell by the way I talk (you hear me?)
And you can tell by the way I walk (two stepping baby)
I can see clear when looking at the mirror
Saying God made me just right I love me, I love me
I don't know about you, but baby I love me
Now everybody say, hey-hey-hey
Oh, hey-hey-hey, I love me
Hey-hey-hey, I love me I don't mean to brag, I don't mean to boast
I love all y'all, but I love me the most
I don't mean to brag, I don't mean to boast
I love all y'all, but I love me the most
Go and raise your glass, give yourself a toast
I love all y'all, but I love me the most
I don't mean to brag, I don't mean to boast
I love all y'all, but I love me (I love me) I love me (I love me)
I don't know about you (I don't know about you)
But baby I love me (Baby I love me)
Now everybody sing, hey-hey-hey, hey-hey-hey
I love me hey-hey-hey, I love me
Everybody sing, hey-hey-hey

I love me, and you love you
Do you love you? I love me
Me too
