What Do I Know

Ricochet

Hey I've been around I've seen it all
Love is a chain around your heart that holds you down
You're better off runnin' away before it starts
I wanted to chase my dreams, I thought freedom meant everything butHey, hey what do I know
I'm just a lonely fool that let you go
And now what do I do
Thought I could live without you but what do I knowLook who I've become I wanted it all, oh but it hasn't happened yet
Look what I've done, I've built a wall in between me and happiness
I had the answers I made the rules
And I thought I had nothing to lose butHey, hey what do I know
I'm just a lonely fool that let you go
And now what do I do
Thought I could live without you but what do I knowI had the answers I made the rules
And I thought I had nothing to lose butHey, hey what do I know
I'm just a lonely fool that let you go
And now what do I do
Thought I could live without you, without you, but what do I knowBut what do I know
