

# What Do I Know

## Ricochet

Hey I've been around I've seen it all  
Love is a chain around your heart that holds you down  
You're better off runnin' away before it starts  
I wanted to chase my dreams, I thought freedom meant everything but Hey, hey what do I know  
I'm just a lonely fool that let you go  
And now what do I do  
Thought I could live without you but what do I know Look who I've become I wanted it all, oh but it hasn't  
happened yet  
Look what I've done, I've built a wall in between me and happiness  
I had the answers I made the rules  
And I thought I had nothing to lose but Hey, hey what do I know  
I'm just a lonely fool that let you go  
And now what do I do  
Thought I could live without you but what do I know I had the answers I made the rules  
And I thought I had nothing to lose but Hey, hey what do I know  
I'm just a lonely fool that let you go  
And now what do I do  
Thought I could live without you, without you, but what do I know But what do I know
