The Eyes Of Medusa

Symphony X

Can you look into my eyes
Tell me, now do you somehow
Still recognize this stare I wear
Through crystal tearsThe light escapes my smile
There is no likeness to be seen,
It is so strange to meAwaken vindication
The mirrors curse-it besets meEndless, timeless, faceless terror
To the isle of deadly shores
Sightless, countless, ageless torture
To behold the sight of Medusa's eyesUnder a spell, I'm enchanted
The hand of fate is never late to ring the time
I'm forced to climb the wallsA voice bids last farewell
With no beginning or no end to be found by meEndless, timeless, faceless terror
To the isle of deadly shores
Sightless, countless, ageless torture
To behold the sight of Medusa's eyesEndless, timeless, faceless terror
To the isle of deadly shores
Sightless, countless, ageless torture
To behold the sight of Medusa's eyes
