If I Were a Ship

Hey Ocean!

If I were a ship,
I'd sail to your shore.
Just to see my true love
The one I adore.
I would part all these provinces
In my paper boat.
And I'd kiss you and kiss you and kiss you
'Til we both just float.If I were a bird
I'd sing out your name.
Parched high up on my branch
And I'd hope that you came.
I would spread both my wings
And I'd take to the sky.
I would bear all the wind and the rain
Just to be by your side.If I were a song
I'd be in just the right key.
I'd be all the best instruments
In sweet harmony.
Oh I'd play oh so loudly,
In hopes that you heard.
Because music is love
In search of the words.
Yes, music is love
In search of the words.
