Given Half the Chance

Blaze Ya Dead Homie

Given half the chance
To do it all again
From start to the finish
And change how it ends
Question: what would you do, huh?

If given half the chance
To change whatever you wanted to?
Given half the chance
To do it all again
From start to the finish
And change how it ends
Question: what would you do, huh?
What would you do?

If given half the chance
To change whatever you wanted to?If I ever had the chance, I know I'd be a ghost

mothaf**kin'
lights on
I'd be tha
