Religion

Public Image Ltd.

Stained glass windows keep the cold outside
While the hypocrites hide inside
With the lies of statues in their minds
Where the Christian religion made them blind
Where they hide
And prey to the God of a bitch spelled backwards is dog
Not for one race, one creed, one world
But for money
Effective
AbsurdDo you pray to the Holy Ghost when you suck your host
Do you read who's dead in the Irish Post
Do you give away the cash you can't afford
On bended knees and pray to lordFat pig priest
Sanctimonious smiles
He takes the money
You take the lies
This is religion and Jesus Christ
This is religion cheaply priced
This is bibles full of libel
This is sin in eternal hymn
This is what they've done
This is your religion
The apostles were eleven
Now there's a sod in HeavenThis is religion
There's a liar on the altar
The sermon never falter
This is religion
Your religion
