

Fling

Girls Aloud

It's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby
Don't want relationships so swing baby, swing baby(It's just a)
It's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby
Don't want relationships so swing baby, swing baby(It's just a)
It's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby
Don't want relationships so swing baby, swing babyWhose that hottie over there?
Big bad boy with big bad hair
I can feel instinctively
He be riding up on meWhose that with that big fat game?
Come give me love, come keep me sane
But don't be getting soft on me
Just give me something casuallySo come closer to me
'Cause I wanna feel the heat
You're fine and that's okay
That's all that you need to beIt's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby
Don't want relationships so swing baby, swing baby(It's just a)
It's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby
Don't want relationships so swing baby, swing babyWhose that hottie in the dark?
Body like a work of art
Feel your eyes undressing me
Strip me of my modestyHey you with that sexy smile
Come give me loving kinky style
But don't be talking love and things
'Cause baby I ain't listeningSo come closer to me
'Cause I wanna feel the heat
You're fine and that's okay
That's all that you need to beIt's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby

Don't want relationships so swing baby, swing baby(It's just a)
It's just a fling baby, fling baby
Nothing more than a fling baby, fling baby
Just a bit of ding-a-ling baby, bling baby
Don't want relationships so swing baby, swing baby
(It's just a)
