

The Dark

Anouk

I'm walking in the park
And I'm talking to the dark
But there ain't nobody listening, no
My heart has turned to stone
When I found myself alone
Now all I do is whisper to the dark
Yeah, yeah
There's only so much you can take
You've gotta to give yourself a break
But I don't think you're listening, no, no, no
Gonna take it all so hard
You gonna tear yourself apart
I can understand you miss him in the dark
Yeah, teach your heart how to sing
get the courage again now
Yeah, take the 10:50 train to the city
Yeah, I had a chance for romance so I do it again now
Yeah, yeah
If love is no longer being served
You've got to leave the table
Mister Aznavour told me
Though I miss him, got to let go
Though I miss him, got to let go
Let it go
It's about that time to leave it all behind you
You don't want to but life is passing by you
The hard knocks, got you twisted like dreadlocks
Catalog your dark and set some new marks
I understand your body's filled with hesitation
Trust me it's gonna be a whole new situation
Turn this page I guess you know what to do
Rise up like phoenix I'm bringing out the beauty in you, what
Yeah, teach your heart how to sing
get the courage again now
Yeah, take the 10:50pm train to the city, yeah
Yeah, I had a chance for romance so I do it again now
Yeah, yeah
Oh, no, no, no
C'mon, c'mon, c'mon
Oh, no, no, no
C'mon, c'mon, c'mon
Oh, no, no, no
C'mon, c'mon, c'mon
Oh, no, no, no
C'mon, c'mon, c'mon, c'mon, yeah
Oh yeah
