

# The Most Beautiful World In the World

Harry Nilsson

You come to the end and the light there is dimmer  
The chances are slimmer of findin' your way  
You find that you stay out of trouble and danger  
'Cause everything's stranger than it used to be You're a scary old place out there, world  
But I couldn't be happy without you  
And I swear all my thoughts are about you  
The most beautiful world in the world Well, the light can be bright there and everything right there  
The end of the night there might be a big band  
Or a heavenly choir or it might be the fire  
But no matter what happens, I bet, it's okay You're a scary old place out there, world  
But I couldn't be happy without you  
And I swear all my thoughts are about you  
The most beautiful world in the world Your mountains when you're mad  
Your rivers when you're sad and those deep blue seas  
I love you for your snow, your deserts down below  
I love the way you wear your trees The most beautiful world in the world  
And though there are times when I doubt you  
I just couldn't stay here without you So when you get older and over your shoulder  
You look back to see if it's real  
Tell her, she's beautiful, roll the world over  
And give her a kiss and the feel
