

Somewhere New (feat. M-22)

Klingande

Yesterday is not today
I know that I won't get another chance No looking back
The time has gone
We turned the page
The past is in the past Why don't we stand up
To a love we know will last
Coz if we don't start now then
We might not get the chance Hideaway the sun light
Finding you can be my sunshine Trying to become one
I found it all in you
So just let me know We can go somewhere new *4
I don't need the sunlight We can go somewhere...INSTRUMENTAL Yesterday seems far away
I know that we are never turning back We chase the days and played away and
Past is in the past Hideaway the sun light
Finding you can be my sunshine Trying to become one
I found it all in you
So just let me know We can go somewhere new *2
I don't need the sunlight We can go somewhere....INSTRUMENTAL We can go somewhere new *2
I don't need the sunlight We can go somewhere...INSTRUMENTAL Go somewhere new....
We can go somewhere new
We can go somewhere new
