

Begin the Begin

R.E.M.

Birdie in the hand for life's rich demand
Insurgency began and you missed it
I looked for it and I found it
Miles Standish proud, congratulate me
A philanderer's tie, a murderer's shoe
Life's rich demand creates supply in the hand
Of the powers, the only vote that matters
Silence means security silence means approval
On Zenith, on the TV, tiger run around the tree
Follow the leader, run and turn into butter
Let's begin again, begin the begin
Let's begin again like Martin Luther's end
The mythology begins the begin
Answer me a question I can't itemize
I can't think clear, you look to me for reason
It's not there, I can't even rhyme here in the begin
A philanderer's tie, a murderer's shoe
Example, the finest example is you
Birdie in the hand for life's rich demand
Insurgency began and you missed it
I looked for it and I found it
Miles Standish proud, congratulate me
A philanderer's tie, a murderer's shoe
Let's begin again, begin the begin
Let's begin again
