Prodigal

Sidewalk Prophets

Its been a long time, since you felt peace
in the valley you made, where you're not meant to be
where the shame throws shadows on you,
but don't you forget.....
that you're headed for more, but you settled for less
don't by the lie, it's as good as it gets
the same feet that left you lost and alone
are the very same feet that'll lead you back homeWherever you are, whatever you did
its a page in your book, but it isnt the end
your father will meet you with arms open wide
this is where your heart belongs...Come running like a prodigal (x2)
there will be nights, when you hear whispers
of a life you once knew, dont let it linger
cause theres a grace that, falls upon you
dont you forget....In the places your weak, he is very strong
dont ever believe you dont deserve love
the same God that protects you when your'e lost and alone
is the very same God that is calling you home
wherever you are, whatever you did
it's a page in your book, but it isn't the end
your father will meet you with arms open wide
this is where your heart belongs,Come running like a prodigal (x2)
Oh! let your life be made new
Oh! as you come into view
your fathers not waiting no hes running too, hes running straight to youwherever you are.....whatever you did.....
wherever you are, whatever you did
its a page in your book but it isn't the end
your father will meet you with arms open wide,
this is where your heart belongs,Come running like a prodigal (x4)
