

You Don't Know Me

Jennifer Warnes

You give your hand to me
And then you say hello
And I can hardly speak
My heart is beating soAnd anyone can tell
You think you know me well
But you dont know meNo you dont know the one
Who dreams you at night
And longs to kiss your lips
And longs to hold you tightTo you Im just a friend
Thats all Ive ever been
Well, you dont know meFor I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance
That you might love me tooYou give your hand to me
And then you say goodbye
I watch you, watch you walk away
Beside the lucky guyYoull never, never know
The one who loves you so
Well, you dont know me
