Grateful Dead

Sugar magnolia, blossoms blooming
Heads all empty and I don't care
Saw my baby down by the river
Knew shed have to come up soon for airSweet blossom come on, under the willow
We can have high times if you'll abide
We can discover the wonders of nature
Rolling in the rushes down by the riversideShes got everything delightful
She's got everything I need
Takes the wheel when I'm seeing double
Pays my ticket when I speedShe comes skimmin' through rays of violet
She can wade in a drop of dew
She don't come and I don't follow
Waits backstage while I sing to youWell, she can dance a Cajun rhythm
Jump like a willys in four wheel drive
Shes a summer love for spring, fall and winter
She can make happy any man aliveSugar magnolia, ringing that bluebell
Caught up in sunlight, come on out singing
I'll walk you in the sunshine
Come on honey, come along with meShes got everything delightful
Shes got everything I need
A breeze in the pines and the sun
And bright moonlight, lazing in the sunshine, yes indeedSometimes when the cuckoos crying
When the moon is half way down
Sometimes when the night is dying
I take me out and I wander around, I wander roundSunshine, daydream
Walking in the tall trees
Going where the wind goes
Blooming like a red rose breathing more freelyRide our singin'
I'll walk you in the morning sunshine
Sunshine, daydream, sunshine, daydream
Walking in the sunshine
