

Trip the Darkness

Lacuna Coil

What a day?
I can barely keep my eyes wide open
I don't wanna see straight
What a day?
Feels like my breath is heavy again
And I'm totally faded Come to me
Come to me
I am waiting for you
Come to me
I can't wait Follow me, follow me
As I trip the darkness
One more time
Follow me, follow me
I awake from madness
Just in time What a day?
Seconds, minutes and hours spill over
There's no time here in space
What a day?
I see beauty in everything
But the world is still fading away Come to me
Come to me
I am waiting for you
Come to me
I can't wait Follow me, follow me
As I trip the darkness
One more time
Follow me, follow me
I awake from madness
Just in time What a day?
I can barely keep my eyes wide open
I don't wanna see straight
What a day?
Seconds, minutes and hours spill over
There's no time here in space Come to me, come to me, come to me come to me
Come to me,
Come to me
I am waiting for you Follow me, follow me
As I trip the darkness
One more time

Follow me, follow me
I awake from madness
Just in time
Just in time (just in time)
I awake from madness
One more time
