

# International Dateline

## Big Fresh

Woke up in the evening  
To the sound of the screaming  
Through walls that were bleeding  
    All over me  
    Untied and weightless  
    Unconscious as we cross  
    The international dateline  
    Let's end it here  
Grown tired of the show coast  
    And the ones that we toast  
    There are no zeros  
    Around here  
    Untied and weightless  
    Unconscious as we cross  
    The international dateline  
    Let's end it here  
    Let's end it here  
    Let's end it here  
    Let's leave her here  
    Let's end it here  
    Woke up in the evening  
    To the sound of the screaming  
    Through walls that were bleeding  
    All over me  
    Untied and weightless  
    Unconscious as we cross  
    The international dateline  
    Let's end it here  
    Let's end it here  
    Let's end it here  
    Let's leave her here  
    Let's leave her here  
    Let's end it here  
    Let's end it here  
    Let's leave her here  
    Let's leave her here
