

# Cali Sun

**Dawn Richard**

[Intro]

California sun (x3)[Hook]

Swallow the last regrets I had  
Decided to take the good with the bad  
Watch your eyes like the horizon  
Got lost in your, California sun

[Hook Reprise]

Swallow the last regrets I had  
Decided to take the good with the bad  
With eyes like the horizon

I got lost in your, California sun California sun (x4)[Music Break][Ad lib & Chorus]

Swallow the last

Swallow the last, California sun (x2)[Verse]

Let's stay young, forever now  
I wait your, mistakes will never count  
Day haunts like a horizon  
I've enjoy the California sun[Chorus & Ad lib]  
California sun

Swallow the last(x4)[Hook]

Swallow the last regrets I had  
Decided to take the good with the bad  
With eyes like the horizon  
I got lost in your, California sun[Chorus]

California sun (x4)[Hook]

Swallow the last regrets I had  
Decided to take the good with the bad  
With eyes like the horizon  
I got lost in your, California sun
