

Give Me Your Name

Dead By Sunrise

Give me a smile
Give me your name, girl
Give me a sign to cut my way
And get what I came for, you
'Cause you don't come easy Give me your hand
Come walk with me, girl
Nothing's that far when you're near
So come even closer to me
Something so easy to do And then I fall into the ocean
Inside of your eyes
Taking me deeper
Then all the pain goes Give me a smile
Give me your name, girl
Let them know that you're mine
And I'll do the same for you
'Cause our love comes easy And then I fall into the ocean
Inside of your eyes
Taking me deeper
Then all the pain goes And then I fall into the ocean
Inside of your eyes
Taking me deeper
When all the pain goes And then I fall into the ocean
Inside of your eyes
Taking me deeper
Giving me new life You're my life
You're my life
