# Chasing Fire

## Lauv

I wanna hate you
'Cause I still love you
And it's weighing on my chest
We keep our bodies tied together
To ignore what's coming nextI was driving you home in the middle of the night
But I couldn't bring myself to say goodbye
I was driving you home in the middle of the night
And there's no good way
Yeah there's no good wayI'm chasing fire when I am running after you, you
You got that something that i never want to lose
Lose, yeah
It's like dancing when the song's already over
Moving without getting any closer,
Ohhh I'm chasing fire when
I'm running after you
I wanna feel you
Really feel you
Not just hold you close at night
We keep our bodies tied together
To ignore what's on our mindsI was driving you home in the middle of the night
But I couldn't bring myself to say goodbye
I was driving you home in the middle of the night
And there's no good
Yeah there's no good wayI'm chasing fire when I am running after you, you
You got that something that i never want to lose
Lose, yeah
It's like dancing when the song's already over
Moving without getting any closer, ohhh
I'm chasing fire when I'm running after you
Keep chasing fire
No other way
No other way
Keep chasing fire
No other way
No other wayI was driving you home in the middle of the night
but I couldn't bring myself to bring myself to say goodbye
I was driving you home even if I go, even if I stayI'm chasing fire when I am running after you, you
You got that something that I never want to lose, lose, yeah
It's like dancing when the song's already over

Moving without getting any closer
I'm chasing fire when I am running after youKeep chasing fire
No other way
No other way
Keep chasing fire
No other way
No other way
