

Fantasy Girl (feat. Lavender Jane Loves Women)

[Alix Dobkin](#)

Fantasy Girl

Here she is and made to order:
Spicy and clean and sugar and smiles.
Sheâ€™ll caress you and
Nestle your feathers in style; in style
Whooooo, sheâ€™s a
Great, big giveaway girl;
Exclusive, all-inclusive mama.
Sheâ€™s a bargain basement mom replacement;
Boo boo bee doo; let me entertain you!

Isnâ€™t this what you want to come home to?
Crinkle her hair and polish her teeth!
On your arm sheâ€™s a dazzling diamond deceitâ€¦
Deceitâ€¦whooo, sheâ€™s a
Great, big throw-away girl;
Elusive unobtrusive baby.
Sheâ€™s a tiny tender tinder box;
She rolls her eyes; she walks; she talks;
Sheâ€™s waitinâ€™ for youâ€¦boo boo bee dooo

Didnâ€™t you see the writing on the wall?
Didnâ€™t you know that lies are bound to fall?
Didnâ€™t you weigh the price youâ€™d pay for
Havinâ€™ your ashes hauled? Ashes hauled
Finally the times have changed;
Your sugar babyâ€™s re-arranged,
So watch it, boy, when you caress
That pussy is a lioness. Sheâ€™s a

Real live everyday girl;
An educated self-made lady.
Sheâ€™s the kewpie doll youâ€™ve never seen;
An Amazon; A gypsy queen;
And boy, does she know you!
Sheâ€™s seeinâ€™ right through
The boo boo bee doo
Boo boo bee doo!!!
