Freedom

4Him

Freedom!Back in the bible there was that old Pharaoh
Who ruled over Egypt and Israel
God spoke to Moses through fired up bushes
Said kick off your shoes and stay awhileAll of humanity was made to worship me
Pharaoh get outta my way
(God is sayin')ChorusFreedom to dance
Freedom to sing
Freedom to grow
I'm telling you Pharaoh let Gods people go!Worship now
Worship now
Worship your God (x4)
(let 'em go)Well, we live in a country supposedly Pharaohless
But all over town and in churches abide
Powerful weeklings who practice they're politics
Stealing from Jesus his beutiful bride
Whether you're Pharisees, Sadducees, heresies
You best get outta God's way!
(God is sayin')ChorusWorship now
Worship now
Worship your God (x4)
(let 'em go)Well, we live in a country supposedly Pharaohless
But all over town and in churches abide
Powerful weeklings who practice they're politics
Stealing from Jesus his beutiful bride
Whether you're Pharisees, Sadducees, heresies
You best get outta God's way!
(God is sayin')ChorusWorship now
Worship now
Worship your God (x4)
(let 'em go)
