Crystal Mountain

Synsun

Built from blind faith, passed down
From self-induced fantasy, turn a page to justifyConjuring power, it opens wide on your seventh day
Is that how it's done?Twisting your eyes to perceive
All that you wantTo assume from ignorance
Inflicting wounds with a cross-turned daggerInside Crystal Mountain, evil takes its form
Inside Crystal Mountain, commandments are rebornAll the traps are set to confine
All who get in the way of the divineIn sight and in mind of the hypocrites
A slave to the curse, forever confinedShatter the myth, don't cut yourself
On your words against dreams made of steelStronger than any faith that inflicts pain and fear
So is that how it's done?Twisting your eyes to perceive
All that you wantTo assume from ignorance
Inflicting wounds with a cross-turned daggerInside Crystal Mountain, evil takes its form
Inside Crystal Mountain, commandments are reborn
