

# Crystal Mountain

## Synsun

Built from blind faith, passed down

From self-induced fantasy, turn a page to justifyConjuring power, it opens wide on your seventh day

Is that how it's done?Twisting your eyes to perceive

All that you wantTo assume from ignorance

Inflicting wounds with a cross-turned daggerInside Crystal Mountain, evil takes its form

Inside Crystal Mountain, commandments are rebornAll the traps are set to confine

All who get in the way of the divineIn sight and in mind of the hypocrites

A slave to the curse, forever confinedShatter the myth, don't cut yourself

On your words against dreams made of steelStronger than any faith that inflicts pain and fear

So is that how it's done?Twisting your eyes to perceive

All that you wantTo assume from ignorance

Inflicting wounds with a cross-turned daggerInside Crystal Mountain, evil takes its form

Inside Crystal Mountain, commandments are reborn
