

# It Makes No Difference Now

## The Supremes

(Floyd Tillman)It makes no difference now  
What kind of life fate hands me  
I'll get along without you  
Now that's plain to seeI don't care what happens next  
But I'll get by somehow  
And I don't worry 'cause  
It makes no difference nowNow that we have really parted  
I can't believe we're through  
And I don't blame myself  
And I'm sure I can't blame youI know something had to happen  
And it happened somehow  
And I don't worry 'cause  
It makes no difference nowAfter all is said and done  
I'll soon forget you  
Although I know it will be so hard to do  
Let things happen as they will  
I'll get by somehowI don't worry 'cause  
It makes no difference now  
Not nowLet things happen as they will  
I'll get by somehow  
I don't worry 'cause  
It makes no difference now
