

# Missing You (Re-Recorded)

John Waite

Every time I think of you  
I always catch my breath  
And I'm still standing here  
And you're miles away  
And I'm wondering why you left  
There's a storm that's raging  
Through my frozen heart tonight  
I hear your name in certain circles  
And it always makes me smile  
I spend my time thinking about you  
And it's almost driving me wild  
And there's a heart that's breaking  
Down this long distance line tonight  
I ain't missing you at all  
Since you've been gone away  
I ain't missing you  
No matter what I might say  
There's a message in the wire  
And I'm sending you this signal tonight  
You don't know, how desperate I've become  
And it looks like I'm losing this fight  
In your world, I have no meaning  
Though I'm trying hard to understand  
And it's my heart that's breaking  
Down this long distance line  
But I ain't missing you at all  
Since you've been gone away  
I ain't missing you  
No matter what my friends say  
And there's a message that I'm sending out  
Like a telegraph to your soul  
And if I can't bridge this distance  
Stop this heartbreak overload  
I ain't missing you at all  
Since you've been gone away  
I ain't missing you  
No matter what my friends say  
I ain't missing you  
I ain't missing you  
I can lie to myself  
And there's a storm that's raging  
Through my frozen heart tonight  
I ain't missing you at all  
Since you've been gone  
I ain't missing you  
No matter what my friends say  
Ain't missing you

I ain't missing you  
I ain't missing you  
I keep lying to myself  
Ain't missing you  
I ain't missing you  
I ain't missing you
