

There Must Be An Angel (Playing With My Heart)

Eurythmics

No one on earth could feel like this
Im thrown and overblown with bliss
There must be an Angel
Playing with my heartI walk into an empty room
And suddenly my heart goes boom
Its an orchestra of Angels
And theyre playing with my heartMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelNo one on earth could feel like this
Im thrown and overblown with bliss
There must be an Angel
Playing with my heartAnd when I think that Im alone
It seems theres more of us at home
Its a multitude of Angels
And theyre playing with my heartMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelMust be talking to an Angel
Must be talking to an Angel
Must be talking to an AngelI must be hallucinating
Watching Angels celebrating
Could this be activating
All my senses dislocating?This must be a strange deception
By celestial intervention
Leaving me the recollection
Of your Heavenly connectionNo one on earth could feel like this
Im thrown and overblown with bliss
There must be an Angel
Playing with my heartAnd when I think that Im alone
It seems theres more of us at home

Its a multitude of Angels
And theyre playing with my heart
