

World Peace

Cro-Mags

World peace or world talk?

Yeah

One, two, three, four If we really want world peace and we want it right now

We must make up our minds to take it

(Right now) If we really want world peace and we want it right now

(Right now)

We must make up our minds to take it Take it right now, don't hesitate, world peace

You want world peace? World peace

Peace take it or world talk?

World peace, world peace, world peace Yo, a lot of people are under the assumption

That peace is soft or somethin'

We must begin to reprogram our thought

From how we were taught back in school, and our TV screens Strength, is always mean

Love, is always soft

And peace is too peaceful

When all are equal Sit back, and read the papers

About the murderers, thieves, and rapists

We depend on police for justice

But when do we say, enough is enough Right now and call their bluff

It's not a matter of fronting like you're tough

It's a matter of takin' yours

And livin' universal laws 'Cause those laws, cannot be bribed

Nor changed, or paid on the side

You must come correct and walk straight

More love, less and less hate When you walk, walk with authority

Tell the negative people, don't bother me

Move your face away, I ain't with it

In a minute, I'm gonna hit it If we really want world peace and we want it right now

We must make up our minds to take it

(Right now) If we really want world peace

(World peace)

And we want it right now or world talk

(Or world talk?)

We must make up our minds to take it

(Break it down, take it, yeah, world peace)

(Yeah come in) Crash, smash, don't ask

When the negative disrupts the class

How much longer? Get stronger

The battle is getting longer World, peace, or world talk

Do we run? Or do we walk?
Charge, if you want world peace, take it
'Cause a lot of our leaders fake it, fraudIt's similar to Armageddon
When the positive people stop lettin'
The negative, control, how we live
Listen to the music I giveIf we really want world peace and we want it right now
We must make up our minds to take it
(Take it)If we really want world peace and we want it right now
(World peace)
(Right now)
(Or world talk?)
We must make up our minds to take it
(Take it)If we really want world peace and we want it right now
(World peace)
We must make up our minds to take it
(Right now)If we really want world peace and we want it right now
(Come in now)
We must make up our minds to take it
(World peace or world talk?)If we really want world peace
(Yes I do)
And we want it right now
(When can I get it?)
We must make up our minds to take it
(Come in)If we really want world peace
(That's it)
And we want it right now
(Right now)
We must make up our minds to take it
(I want it now)If we really want world peace
(I want it right now)
And we want it right now
(We need it right now)
We must make up our minds to take it
(No talk, world peace)If we really want world peace
(Peace)
