

Dump the Trump! (Dump the Donald!)

Martin Gordon

Lemme tell ya bout Donald Trump
if he gets in weâ€™re all for the high jump
the economyâ€™s heading down the dump
all hands on deck, everybody pump

Letâ€™s dump
dump Trump
dump Trump

Letâ€™s thump
thump Trump
dump Trump

With his tiny fingers and mixed-up speech
and his hair grown on a Norwegian beach
follicle policy disarray
hair tomorrow, gone today

Letâ€™s dump
dump Trump
dump Trump

Letâ€™s thump
thump Trump
dump Trump

Dump the Trump! Dump the Donald!

And now Melanieâ€™s gonna be
a brand new kind of first lady
with breakable hair and a fake degree
and dirty pix for all to see

Letâ€™s dump
dump Trump
dump Trump

Letâ€™s thump
thump Trump

dump Trump

Gonna build a wall just for the spics
donâ€™t need Hispanics with tiny dicks
gonna send Islamics in burkinis
back to the land of tiny weenies

Letâ€™s dump
dump Trump
dump Trump

Letâ€™s thump
thump Trump
dump Trump

Dump the Trump! Dump the Donald!
