

# A New Level

## Pantera

Now a new look in my eyes my spirit rise

Forget the past

Present tense works and lasts

Got shit on

Pissed on

Spit on

Stepped on

Fucked with

Pointed at by lesser men

New life in place of old life

Unscarred by trials

A new level of confidence and power

Demanding plea for unity between us all

United stand

Death before divided fall

In mock military order

Vulgar

Power

Impatient

Because time is shorter

New life in place of old life

Unscarred by trials

A new level of confidence and power

No fucking surrender

Can't lose

Life kills
