Bother

Super Ego

Wish I was too dead to cry
My self affliction fades
Stones to throw at my creator
Masochists to which I caterYou don't need to bother
I don't need to be
I'll keep slipping farther
But once I hold on I won't let go till it bleedsWish I was too dead to care
If indeed I cared at all
Never had a voice to protest
So you fed me shit to digestI wish I had a reason
My flaws are open season
For this, I gave up trying
One good turn deserves my dyingYou don't need to bother
I don't need to be
I'll keep slipping farther
Once I hold on I won't let go till it bleedsWish I'd died instead of lived
A zombie hides my face
Shell forgotten with its memories
Diaries left with cryptic entriesAnd you don't need to bother
I don't need to be
I'll keep slipping farther
But once I hold on I won't let go till it bleedsYou don't need to bother
I don't need to be
I'll keep slipping farther
But once I hold on I'll never live down my deceit
