Physical

Alcazar

I'm hear to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high lifeNever needed real emotion
I get my feelings from a magazine
I don't know where you got the notion
I'll be the one fulfilling all your needsI'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high lifeGet physical tonight, the world's alive
Get physical in the light, this is our time
Get physical tonight, we're riding high
Get physical in the light, going out, feel alright
It's a magical night, it's a magical night
It's a magical night, it's a magical nightYou can't desert me
I'm always going when I just arrived
There ain't no memories gonna hurt me
'Cause all I live for is tomorrow nightI'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high lifeGet physical tonight, the world's alive
Get physical in the light, this is our time
Get physical tonight, we're riding high
Get physical in the light, going out, feel alright
It's a magical night, it's a magical night
It's a magical night, it's a magical nightSorry, I'm not a lady
I ain't afraid to pick a fight
I'm here to conquer the dance floor
And the limelight delightI'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the high lifeGet physical tonight, get physical in the light
Get physical tonight, get physical in the light
Going out feel alrightGet physical tonight, the world's alive
Get physical in the light, this is our time
Get physical tonight, we're riding high
Get physical in the light, going out feel alrightGet physical tonight, feel alright
Get physical in the light, going out, feel alright
It's a magical night
