Undying Evil

Enforcer

Arising from the shadows haze
Unholy gazer of relentless nights
Iron chains from time and space
Ties you down with all it's might
Creature from night
Morbid lust enchants you
Creature from night
Devil's chains enfold and break you
Creature from night
Deep in ice all known betrays you
Creature from night
Claws of death undying evil
Thriving in the cold of cosmic black
Transylvanian nocturnal prime
Taste of blood brings your lust back
Afterlife beyond this timeCreature from night
Morbid lust enchants you
Creature from night
Devil's chains enfold and break you
Creature from night
Deep in ice all known betrays you
Creature from night
Claws of death undying evil
Creature from night
Morbid lust enchants you
Creature from night
Devil's chains enfold and break you
Creature from night
Deep in ice all known betrays you
Creature from night
Claws of death undying evil
