Battlefields

Fenech-Soler

Hey, I wanna know, if you're gonna lose sight give up, then I will stop the fight
Hey, you've got to let it go
Feel the warm air rise off the battlefields, oh tonight's the night
I will give you more, I will lead you strong
To the rhythm of the night
I will lead you strong, I will give you more
It's the battle of our timesSo keep your heads up
Raise your flags into the air, we're marching, oh
Can you feel the fire inside?
Feel the rhythm of the night, we're dancing, oh oh oh ohHey, I got you in my sights
Gonna pull the trigger, gonna let you know when I see the whites of your eyes
And if you don't believe a word I say
Feel the warm air rise off the battlefields, oh we fight today
I will give you more, I will lead you strong
To the rhythm of the night
I will lead you strong, I will give you more
It's the battle of our timesSo keep your heads up
Raise your flags into the air, we're marching, oh
Can you feel the fire inside?
Feel the rhythm of the night, we're dancing, oh oh oh oh
