When Did You Leave Heaven

Lisa Ekdahl

When did you leave heaven?
How could they let you go?
How is ev'rything in heaven?
I like to knowWhen did you leave heaven?
For all these earthly things
Where did you hide your halo?
Where did you lose your wings?How, how they miss you
Can you get back in?
And if I, if I should kissed you
Would it be a sin?'Cause I am only human
And you're so divine
When did you leave heaven?
Angel of mineHow I want to know how
How they miss you?
And can, can you get back in?
And if I, if I should kissed you, now
Would it be a sin?I am only human
And you're so divine
When did you leave heaven, angel?
Angel, when did you leave heaven?
Angel of mine
