Nick Of Time

Bonnie Raitt

A friend of mine she cries at night
And she calls me on the phone
Sees babies everywhere she goes
And she wants one of her own
She's waited long enough she says
And still she can't decide
Pretty soon she'll have to choose and it tears her up inside
She's scared, scared she'll run out of timeI see my folks, they're getting old
And I watch their bodies change
I know they see the same in me
And it makes us both feel strange
No matter how you tell yourself
It's what we all go through
Those eyes are pretty hard to take
When they're staring' back at youScared to run out of timeWhen did the choices get so hard?
With so much more at stake
Life gets mighty precious
When there's less of it to wasteScared to run out of timeJust when I thought I'd had enough
And all my tears were shed
No promise left unbroken
There were no painful words unsaid
You came along and showed me
How to leave it all behind
You opened up my heart again
And then much to my surpriseI found love, baby
Love in the nick of timeI found love, darling
Love in the nick of timeI found love, baby
Love in the nick of time
