Not for Me

O.A.R.

Time is the only thing certain
When your staring down your son
And your days will not be forgotten
If you live them as they come
When nobody wants to be just your best friend
Without competition
With nothing to hide
Watching your back doubles up your vision
I make no decisions with unsteady eyesThis world is not for me, my love
It's all for you
This world was never free for me
But it will be for you
Listen true
When you fall
Get up again
I know this life might be hard to live
But It's not for me my love
It's all for youI tired to vanish
Into the shadows
I tired to get away from it all
I couldn't manage
Imagine this life
With nothing to leave you at all
Then somebody picked me up
With the quickness
Wrapped me in blankets
Of patience and love
Brought me back from a broken existence
I feel no resistance to rising aboveThis world is not for me, my love
It's all for you
I'll tell you true
This world was never free for me
But it will be for you
That's what I'll do
If you fall get up again
I know that life might be hard to live
But it's not for me anymore
It's all for youYou know it's not for me
Oh no no

Not for me
Oh no no
I know it's not for me, my love
It's all for youNot for me
Oh no no
This is not for me
Oh no no
This is not for me
Oh no no
This is not for me
Oh no noAnd when you fall get up one more time
This life is yours for the taking
Not mine
Don't be afraid where you came from
Oh, man
You'll take it somewhere new
This world is not for me, my love
It's all for you
You know it's all for youIf you fall get up again
I know this life can be hard to live
If you got love
You should give love
Get back love
Take it home with you
It's not for me, my love
It's just for you
