Same for You

Lee DeWyze

I got so much need to see
Won't you meet me down by the river by the elder tree?
I got a little whisper in your ear
Cause I can't shout loud, so you'll have to come nearWell I know it's hard to do
But you gotta know darling that I'd do the same for you
Well I know it's hard to do
But you gotta know darling that I'd do the same for youWell I'll help you, if you help me
Won't you meet me down by the river by the elder tree?
Well there's no time for saving me
If you wanna break loose then you gotta break free
Well I know it's hard to do
But you gotta know darling that I'd do the same for you
Well I know it's hard to do
But you gotta know darling that I'd do the same for you
