

I Believe in Love

Dixie Chicks

I made a promise to myself
Locked it way deep down inside
Told my heart we'd wait it out
Swore we never compromise Oh, I'd rather be alone
Like I am tonight
Than settle for the kind of love
That fades before the morning light Silence stared me in the face
And I finally heard its voice
It seemed to softly say
That in love you have a choice Today I got the answer
And there's a world of truth behind it
Love is out there waiting somewhere
You just have to go and find it I believe in love, I believe in love
Love that's real, love that's strong
Love that lives on and on
Yes, I believe in love I believe in love, I believe in love
Love that's real, love that's strong
Love that lives on and on
Yes, I believe in love, yes, I believe in love
