

# Another Girl

Michael Ray

She hung her halo up  
And put her boots on  
She got all prettied up  
Rockin' in the mirror  
To a country song Girls in the driveway pickin' her up  
She can hear that bass drum kickin'  
All week long she been bottled up  
Like a time bomb ticking Aw, now look at her go  
Sippin' on somethin'  
On the way to the show  
Flirtin' her way  
To the front row She got her moonlight wild side  
Crazy coming out on a Friday night  
Straight out of another world  
She turns into another girl  
You gotta stand back watch her move  
One that the band's all singing to  
Spin around like a tilt-a-whirl  
I can't look at another girl  
Another girl When she's at her 9 to 5  
No, she don't say much  
She's a little shy tied  
Don't ever hear her say much Oh, if they could see her now  
They wouldn't recognize her  
Wearing some boys hat she just met  
Holding up her beer like a lighter She got her moonlight wild side  
Crazy coming out on a Friday night  
Straight out of another world  
She turns into another girl  
You gotta stand back watch her move  
One that the band's all singing to  
Spin around like a tilt-a-whirl  
Yeah, I can't look at another girl  
Another girl Turns into another girl  
There ain't ever been another girl  
That can move me like she does  
I can't take my eyes off of her She got her moonlight wild side  
Crazy coming out on a Friday night  
Straight out of another world

She turns into another girl  
You gotta stand back watch her move  
One that the band's all singing to  
Spin around like a tilt-a-whirl  
I can't look at another girl Yeah, look at her go  
She's getting down in the front row  
Yeah, do your thang girl
