Sprung

Queensberry

You used to be this little girl around the way
But you've grown up and now you got me feelin' things
Your body's talkin' and that's no lie
And I've been waitin' for the subject to arise
No use in tryin' to keep a secret from you
Girl, I can't hide it, you know I can't fight it
So if you feel a little poke comin' through
Baby, tell me what can I do? I'm crushin' on you
Tell me baby, how can I get down with you?
Your body's talkin' to me, my body's talkin' to you
Oh, tell me, baby, what am I supposed to do?
Can't you see what you've done?
The damage is done, I'm sprung
Maybe I'll call a psychic on the telephone
And she could tell me how to get you all alone
I need a gypsy to come around
Stir up a potion that will cool my body down
I'm burnin' up, you know my body's on fire
Just hold me close, you can feel my desire
It's only natural for my nature to rise
I fell under your spell, oh baby, when I looked in your eyes
Tell me baby, how can I get down with you?
Your body's talkin' to me, my body's talkin' to you
Oh, tell me, baby, what am I supposed to do?
Can't you see what you've done?
The damage is done, I'm sprung
Oh girl, I feel like I'm ready to explode
Because the time is right, we should be makin' love all night
So baby, let me know if it's a go, I'm tight as a drum
Baby girl, you know you got me sprung
You turn me on, oh girl, I'm sprung
Ooh baby, baby, don't you know
You got me goin' crazy, crazy?
You turn me on, oh girl, I'm sprung
What am I gonna to do?
Little sexy thing, I'm addicted to you
Tell me baby, how can I get down with you?
Your body's talkin' to me, my body's talkin' to you
Oh, tell me, baby, what am I supposed to do?

Can't you see what you've done?
The damage is done, I'm sprung
Tell me baby, how can I get down with you?
Your body's talkin' to me, my body's talkin' to you
Oh, tell me, baby, what am I supposed to do?
Can't you see what you've done?
The damage is done, I'm sprung
