

# Fork (Produced By Mike WiLL Made It & P-Nasty)

## 2 Chainz

Mama, MAMA!

(Wha, What!)

You get that money out my pants last night?

(Boy! Naw I ain't get no money out yo pants! And quit yellin' at me!!)

Ain't nobody hollin' at you! I had a dream that rap wouldn't work

I woke up on the block, had to hit it with the fork

Skrrr, skrrr, skrrr, skrrr: hit it with the fork

Skrrr, skrrr, skrrr, skrrr, skrrr: hit it with the fork

Rap don't work, records ain't bein' sold

So much money on me, it won't even fold

So much money on me, it won't even fold

So much money on me, it won't even fold

So much money on me, it won't even fold

So much money on me, it won't even fold

I got Medusa on my sneakers

My dick up like "nice to meet ya"

100K for a feature, hundred K's at my leisure

Then we aim at your people

I be higher than a eagle

When I'm sipping on that codeine

Free my nigga Sigel

Ridin' on a jet, headin' to that Costa

Soon as I land I be in that Testarossa

If I die tonight, you gon' see some flexin' ghostas

I'm the man in my city, same thing in South Dakota

Man I'm running up that check, show you how I do it

I drink red bitches, I don't drink Red Bulls

Man they tried to give me wings, but I already had some

I'm all that and then some, my trap house is my income

And it's booming

I had a dream, rap wouldn't work

Woke up on the block, hit it with the fork

Skrrr, skrrr, skrrr: hit it with the fork

Skrrr, skrrr, skrrr: hit it with the fork

Rap don't work, records ain't bein' sold

So much money on me, it won't even fold

So much money on me, it won't even fold

So much money on me, it won't even fold 2 Chainz!

I'm ballin' like Mr. Clean

I gotta keep my kitchen clean  
God bless me like I'm finna sneeze  
Doctor weigh me on a triple beam  
D-boy in parenthesis  
All gold in my amenities  
2 Chainz, two pinky rings  
My trigger finger's like a lemon squeeze (Baow!)  
Climax! Make your main ho my side-chick  
I'm so high, your whore get hijacked  
And my vision is Pyrex  
I do it big like a 5X  
Killed they ass with the eyepatch  
I got bad bitches on my side  
I done fucked around and got sidetracked  
My first night, I spent five stacks  
Next night I forgot to count  
I'm so hot; who gon' put the fire out?  
I'm the fireman, I put fire out  
Got a pole in my basement  
Tipped your girl like Maliah now  
Ridin' on these motherfucka's until they blow my tires out, uhMy wrist deserve a shout-out, I'm like "What up,  
wrist?"  
My stove deserve a shout-out, I'm like "What up, stove?" All this jewelry on then I'm out cold  
So much money on me, it won't even fold! I had a dream, rap wouldn't work  
Woke up on the block, hit it with the fork  
Skrrr, skrrr, skrrr: hit it with the fork  
Skrrr, skrrr, skrrr: hit it with the fork  
Rap don't work, records ain't bein' sold  
So much money on me, it won't even fold
